2021-2023

Graduated with honors;  
Final GPA of 3.87

Bachelor in Science - Computer Science

**CSU East Bay**

2023 - present

Majoring in Computer Science

### PROFILE

A junior at CSU East Bay Hayward, transferring from Seattle. I am majoring in Computer Science, and is on track to graduate in 2025. Value learning from other people regardless of who they are. Love to work with a strict deadline and puts a heavy emphasis on finishing the work at hand with as much accuracy and speed as possible. Enthusiastic at completing work in collaboration with other people or teams.

### PREVIOUS WORK EXPERIENCE

#### Computer Science Tutor

2023-2023

Student Learning Center

- Helped other students with assignments and projects within the computer science classes in Shoreline Community College.
- Helped other students understand different concepts from assignments and lectures given to the students.
- Connect students to other resources on-campus to better aid in their studies.

### PREVIOUS SOCIAL EXPERIENCE

#### Head of Event Organizer

Indonesian Students Club at Shoreline Community College (ISC)

2022-2023

- An officer of ISC since 2021.
- Managed the event organizing team at ISC.
- Create, plan and execute club events with collaboration with local clubs.
- Collaborate with other departments in insuring the events being run.

#### Secretary

Untapped in STEM - Shoreline Community College

2022-2023

- Co-created the inclusive STEM club.
- Managed most paper-work related needs and permits in all of the clubs events.
- Managed departments within the club, including selection of team members.
